

III. REMARKS

The claims have been rejected under 35 USC §101 and 35 USC §112 second paragraph because of the recitation of use without any active steps being recited.

Applicant has revised the formatting in the amended claims, to recite a method involving the step of administering. These claims should now be in form for allowance. Favorable reconsideration and allowance of the claims are respectfully requested.

If the claims are not yet found to be in condition for allowance, for any reason, the Examiner is respectfully requested to telephone the undersigned at (212) 940-8717, to discuss the subject application and/or to identify a time at which a personal interview would be granted.

Respectfully submitted,
